Case No. 3:21MJ75

Filed Under Seal

**AFFIDAVIT IN SUPPORT OF  
AN APPLICATION FOR A SEARCH WARRANT**

I, Joseph Rossiter, being first duly sworn, hereby depose and state as follows:

1. I am a United States Postal Inspector and have been since May 2016. I am presently assigned to the Cincinnati Field Office of the United States Postal Inspection Service, Pittsburgh Division, with investigative responsibility for southeast Indiana and southern Ohio. Part of my responsibility involves investigating the use of the United States Mail in the transportation of narcotics, other dangerous controlled substances, and financial proceeds from, or instrumentalities used in, the sale of such narcotics and controlled substances (hereinafter, "Drugs and/or Proceeds").
2. Based on my training and experience as a United States Postal Inspector, I have become aware that drug traffickers frequently use United States Priority Mail Express (overnight) or Priority Mail (2-3-day) to transport Drugs and/or Proceeds. Additionally, as a result of prior investigations, law enforcement training, and successful controlled-substance prosecutions involving the use of the United States Mail, I have learned of certain common characteristics and/or circumstances that indicate that a package may contain Drugs and/or Proceeds. These circumstances and/or characteristics include, but are not necessarily limited to, the following: the mailer uses different post offices on the same day to send packages, the return address is false or non-existent, the addressee is not known to receive mail at the listed delivery address, the

package is heavily taped, the package is mailed from a known drug source location, the labeling information contains misspellings, the label contains an illegible waiver signature, unusual odors emanate from the package, and the listed address is located in an area of known or suspected drug activity.

3. In February 2021, I received notification from the Miamisburg Post Office, that a Priority Mail Express Package had arrived damaged with its contents spilling out. The package in question was a Priority Mail Express Package, tracking number EJ606393307US, addressed to "Amanda Young 9661 Foxhound Dr Unit 1C Miamisburg, OH 45342" with a return address of "Johnathan Decker 9816 E Oak st Tucson, AZ 85711." The contents of the package included a container designed for a child which contained a plastic baggie with several round, blue pills stamped consistent with Oxycodone. Through prior law enforcement training and experience, I know that this is not a legal method of sending prescription pills and was not properly packaged as such. Additionally, through training and experience, I am familiar with blue-colored fentanyl being pressed into a pill form and stamped to look like Oxycodone. The Priority Mail Express Package and its contents were seized and the pills were submitted to a laboratory for testing. Lab test results are still pending.

4. Based on the seized package referenced above, Postal Inspectors were monitoring for packages destined for this 9661 Foxhound Drive address. On March 1, 2021, I intercepted a package (hereinafter "the Package") at the Cincinnati Network Distribution Center (NDC). The Package is a Priority Mail flat rate box, bearing tracking number 9505512502221051354551, postmarked February 20, 2021, with the following address information:

**Sender:** Derek Becker  
981 Oak st  
Tucson, AZ 85711

**Addressee:** Amanda Young  
9661 Foxhound dr Apt 1c  
Miamisburg, OH 45342

Through training and experience as a Postal Inspector, I know that Southern Arizona is known drug source location.

5. I performed a check in CLEAR database for the addressee's information on the Package of "Amanda Young 9661 Foxhound dr Apt 1c Miamisburg, OH 45342." CLEAR is a law enforcement database that is used as a tool for investigators to identify person/business and address information. According to CLEAR, there is a "Amanda Young" associated with 9661 Foxhound Dr, Apt 1C, Miamisburg, OH 45342.

6. I also performed a check in CLEAR for the sender's information listed on the Package of "Derek Becker 981 Oak st Tucson, AZ 85711." According to CLEAR, there is no "Derek Becker" associated with 981 Oak St, Tucson, AZ.

7. On March 2, 2021, at my request, Dayton Police Department Officer Jeremy Stewart conducted a narcotics-detection canine "free air" check of the outside of the Package. I was present during said check. The Package was placed in a controlled area and presented to narcotics-detection canine, "Weston." As set forth in the attached affidavit of Officer Stewart, "Weston" alerted positively for the presence or odor of a narcotic or other controlled substance on the Package. "Weston" is a properly trained and certified narcotics-detection canine.

8. Based on my prior law enforcement training and experience as a United States Postal Inspector, the Package's address information, including (i) no known association between the sender and return address, (ii) the evidence seized from the prior Priority Mail Express Package, and (iii) the positive alert of the narcotics-detection canine are all indicative of and consistent with Drugs and/or Proceeds in the Package.

Therefore, a search warrant to open the Package is requested.

Further, your affiant sayeth naught.

Respectfully submitted,

  
Joseph L. Rossiter  
Postal Inspector  
United States Postal Inspection Service

Subscribed and sworn to and before me this 2 day of March, 2021.
